#1: Recreational - Red/Orange Stage Camp (4 - 7 years)

Children begin to develop basic tennis skills using lower compression tennis balls on an appropriately sized court. Instruction, activities and games are all under the supervision of our professional tennis staff.

#2: Progressive Competitive - Red/Orange Stages (6 - 10 years)

Suitable for children who already participate in the Club's progressive-competitive tennis clinics. This week-long program helps junior players accelerate their skill development. Most on-court sessions are supervised by our Progressive Competitive Lead Professional.

#3: Recreational - Green Stage (8 - 16 years)

Similar to Camp #1, but for children participating in the Club's recreational tennis program who have advanced to a larger court size.

#4: Tournament Play (10 - 16 years)

For children considering or already competing in Club events, this camp focuses on the technical skills required for successful tournament play. On the first day of each week, campers perform a deep-end swim test*. Returning campers are not required to do this swim test unless they feel their skill level has improved.

Colour-coded wristbands are issued by camp staff upon completion of the swim test.

Red - Ages 5 years and under, as well as non-swimmers. Swimmers wear a lifejacket and stay in the shallow end. The staff:camper ratio is 1:4.

Yellow - Ages 6-9 years who have not passed a facility swim test**. Swimmers are always supervised and stay in the shallow end. They wear a lifejacket and are within arm's reach of a counsellor. The staff:camper ratio is 1:4 .

**The Facility swim test determines the ability to swim two widths in the shallow end.

SWIM LESSONS - Swimming is a life skill and we prepare your child for free swim and familiarize campers with the pool rules, the pool facility and the pool staff. All camps have mandatory participation in swimming lessons except Coding/Robotics, Cooking, Dance, Squash and Tennis camps. Lessons are included in the cost of our camps.

Please complete the Camper's Swim Lesson Registration Form. Please provide as much information on your child's swim level as possible to help us identify the appropriate group. If the swim level is unknown, children can be screened ahead of time during family swim times at no additional cost. The level recommended by the instructor will then be included on the Camper Swim Lesson Registration Form.
